CONTINUATION OF ONE HOUR ADDITIONAL DUES ASSESSMENT PASSED AT NOVEMBER 2015 MEMBERSHIP MEETINGS

Last year's motion to increase Union dues is expiring at the end of December 2015.

At the November 26th and 27th, 2015 Membership meetings the following motion was passed to continue the increase of Union dues.

"That we the membership of Unifor Local 2301 wish to continue to increase our Union dues by 1 hour per month, for one year, to be used exclusively for the purpose of hiring legal professionals to represent the membership in arbitration cases and other legal proceedings, to commence January 2016."

The passing of this motion demonstrates our membership's will to continue to defend the attacks against the integrity of our Union.

This show of Solidarity will enable us to defend our member's issues in an expedient manner.
