WORKERS WITH DISABILITIES COMMITTEE

Unifor Local 2301 is seeking expressions of interest from members willing to form a Workers With Disabilities Committee.

The purpose of the committee is to provide space and support within the Union for members with disabilities, including members currently at work through workplace accommodation or awaiting to return to the workplace (WCB, DIP, LTD).

Committee activities could include the promotion of accessibility in the workplace, at Union functions, and in the community, or the education of members on Workers With Disabilities issues.

Regular meetings can be scheduled where workers with disabilities can get together to stay connected to their co-workers, their Union, and the workplace.

Unifor is an inclusive Union where no member is left behind.

Please submit expressions of interest to the Union Hall by:

March 24th, 2017

We are Community, We are United, We are Unifor!
