*Kitimat Smelter and Kemano Power Operations Workers*

## NOTICE OF MOTION TO POST:

*“Recommendation from the Executive to the Membership to approve a donation of \$5000 towards the Bruce Bidgood, Skeena NDP MLA Campaign, for 2017 provincial election expenses.”*

### **Background Information:**

The provincial Liberal government has waged relentless attacks on working people, their families and our communities. This government has legislated cut backs regarding collective bargaining; they have made changes to the labour code which negatively impacts workers; they have made extreme changes to the Worker's Compensation system which has had a huge impact on injured workers and they have made numerous other cuts to social programs and services which have eroded the lives and rights of working people, families, children and the elderly.

Workers in this province badly need a change in government and our proposed donation will help effect this change.

This motion will be voted on at the Membership Meeting held at the Union Hall:

**April 17<sup>th</sup> @ 7:00 p.m. & April 18<sup>th</sup> @ 7:00 a.m.**

We urge all members to attend and participate in the debate and vote regarding this issue.
