EXPRESSION OF INTEREST

Opening Date: 29 September, 2017

Closing Date: 13 October, 2017

Rio Tinto is initiating a selection process to identify within the bargaining unit, trades persons who will comprise a shutdown/project crew.

The crew will be established for a trial period of one year for the purpose of supporting activities such as yearly and weekly shutdowns and other trades-related activities at the smelter as determined by the Company. Working in Kemano may also be required.

The crew members will report to a maintenance supervisor and will be supported by a shutdown planner reporting to the Central and Asset Management organization.

The current proposed schedule will be based on a (10) ten hour dayshift Tuesday to Friday from 630 AM to 5:00 PM.
