UNIFOR LOCAL 2301 SPECIAL JACKET SIZING SESSIONS

As many of you are aware, the Union will be purchasing jackets for its members (one jacket per member). There is a choice of black, blue, or grey.

Sizing Jackets

Sizing jackets have arrived and are currently at the Union Hall for members to try on for a fitting.

Special Jacket Sizing Sessions

In an effort to accommodate members that work various shift schedules in the plant, the Union will be holding special jacket sizing sessions for members on Monday, December 15th, Tuesday, December 16th, Wednesday, December 17th and Thursday, December 18th, 2025, from 5:00 pm until 8:00 pm upstairs at the Union Hall.

As a reminder, we have also purchased new Local Unifor hats that are ready for members to pick up at the Union Hall. One per member, free of charge. If you haven't grabbed one yet, you can do so while being sized for a jacket.

YOUR UNION AT WORK!
