ANNUAL PLANT GATE COLLECTION HAS MAJOR IMPACT

On December 10th and 11th Unifor Local 2301 and Rio Tinto BC Works representatives collected money at the gates for the Annual Plant Gate Collection to raise money for the Kitimat Food Bank. Thank you to the representatives that braved the cold to collect money and to everybody that donated, including Unifor Local 2301 Retirees and the Rio Tinto BC Works Aluminum Fund. A total of $23,277.79 was provided to the Kitimat Food Bank!

Your generosity will go a very long way this holiday season!
