

2012 Negotiations Questionnaires

The Negotiating Committee has completed the Questionnaire for the upcoming negotiations.

The purpose of this questionnaire is to help your Negotiating Committee to determine where the membership's priorities lie in the 2012 Negotiations.

We are beginning the process of distributing these questionnaires.

The Chief OHS&E Reps will be distributing them to the OHS&E Reps and Union Activists shortly to give to the members.

Please fill out the questionnaire and return to your OHS&E Rep or Union Activist no later than March 1st and they will then return them to the Hall.
