

ALCAN PENSION PLAN (APP) COMMITTEE

Elections for the Alcan Pension Plan Committee will take place in June, 2009. We are now canvassing the membership for people who may be interested in submitting their name as a candidate for this position.

Interested members should write a short report giving their reasons why they would like to be endorsed by CAW Local 2301 to sit on this committee as a pension trustee.

There will be a selection process and endorsement at the March Membership meeting, followed by a bulletin asking for the membership's consolidated support for the endorsed candidate.

The deadline for submitting names will be noon on March 25th, 2009.
