

## ***EXECUTIVE MOTION TO POST:***

*A motion to post to the membership that:*

*“Executive recommends to the membership that CAW 2301 become active members of the CAW Mining and Metals Council”*

### Information on motion:

The CAW Mining and Metals Council is a group set up within our National Union which deals with issues related to mining and metals (smelting).

The objective of the council includes the objectives of the National Union, with specific reference to the mines/mill/smelters:

- 1) To promote the co-ordination and co-operation of the members in bargaining
- 2) To promote the exchange of ideas of common interest to mining, milling and smelter members' locals

This Council meets at the same time as the National Council and promotes our issues and raises awareness within our own National Union as well.
