# THE CANDIDATES

## Recording Secretary (One position)

RICHARD LINDSTROM

**M**y name is Richard Lindstrom, and I've been an employee here at RT for 17 years.

I am an Industrial Electrician, based in the Automation Department, but currently assigned to the Power Ops group, as their OHS Chief. I have a history in safety programs in the forest industry, including many years as head Industrial First Aid attendant in several logging camps on the coast, and I am currently a member of our plant safety committee.

I am a devout supporter of our Union and all that we have achieved and are endeavoring to achieve. My goal is to keep involved in our union activities, in all aspects, and to grow our active membership, especially in energizing our newcomers to the plant to participate in union platforms.

A strong union membership benefits us all.

*In Solidarity,  
Richard Lindstrom*

TREVOR THOMSCHKE

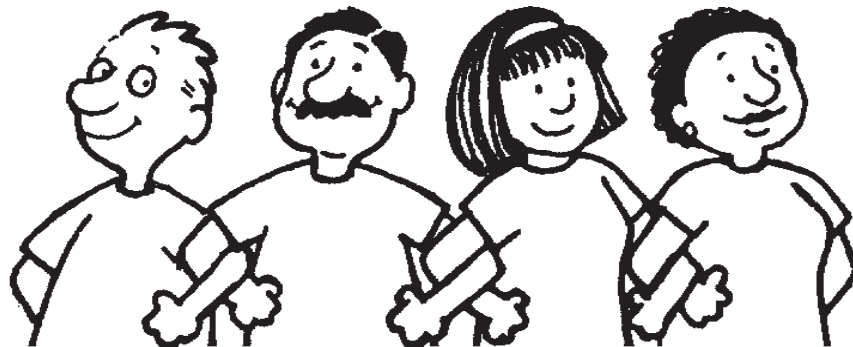

**B**rothers and Sisters, my name is Trevor Thomschke and I am a proud member of Unifor Local 2301 and have been since 2007.

In my 15 years I have worked alongside many of you in both the old and new side of the plant. Most recently I have had the privilege of being nominated as one of your chief shop stewards amongst a team of six reps.

I ask that you support me in my decision to pursue the position of recording secretary. I would like to extend my involvement in our union and I feel this role would be a great opportunity for me to do so.

Thank you and kind regards.

*In Solidarity,  
Trevor Thomschke*
